# New range overview

## Range of smoothing mortars weber.plan 813

	thickness	self-levelling	pumpable	XXL formats
weber.plan 813-10	up to 10 mm	😊😊	😊😊	😊😊
weber.plan 813-20	up to 20 mm	😊😊😊	😊😊😊	😊😊😊
weber.plan 813-25	up to 25 mm	😊😊	😊😊	😊😊
weber.plan 813-40	up to 40 mm	😊	😊😊	😊
weber.plan 813-PT (PumpTruck-/Silo-Ware)	5 - 20 mm	😊😊😊	😊😊😊	😊😊

😊😊😊 = very good    😊😊 = good    😊 = satisfying

## Excellently user-friendly

Thanks to its excellent self-levelling properties the levelling compound supports the knee- and back-friendly works in standing position. The product is delivered in contemporary 20 kg bags which also makes works easier in comparison with heavier bags

At **weber**, we believe that the **most important** in the building industry is **to care about people** and **their environment**
